The Perfect Setting

Built as a Victorian music hall in 1877, this Grade II listed building is one of the most beautiful and celebrated venues in Nottinghamshire. Sunlight floods through overarching glass windows, illuminating original architecture and features that combine to make the Malt Cross a wonderful space for your wedding reception.

Our spacious venue, with its galleried first floor, is the ideal place for your wedding breakfast and celebrations with a stage for your band or DJ. What's more our snug is the perfect lounge area for your guests.

We're a two-minute walk from the Council House and tram stop in Old Market Square, and a short distance from Nottingham Station, as well as numerous city centre car parks.

All the profits from your wedding day will go to support our charitable programmes.

Stepping into The Malt Cross,
the party began.

Welcome drinks and a delightful
wedding breakfast made our day
perfect, surrounded by loved ones in
the heart of the city.

Make The Malt Cross Your Own

Our team is dedicated to creating the perfect wedding reception, tailored just for you.

The historic space can be curated for a variety of layouts, sizes and parties depending on your preferences.

The venue lends itself to intimate weddings with a three course, sit-down meal for between 60 and 110 guests, and works equally well for a more relaxed, buffet style meal, seating up to 120. Our team will meet with you to decide on the ideal table layout for your party, and our chefs will create a menu that reflects the theme of your wedding, or any other creative direction you might choose.

We'll work closely with you to plan your day, the time of your wedding breakfast, and the evening buffet. What's more, we're also flexible on the music – you can create your own playlists, bring your own DJs/band, or we can recommend and book the entertainment for you. The Malt Cross is a fantastic place for a great party, including plenty of space for those who want to dance into the night.

On the day of your wedding, the venue is closed to the general public, giving you exclusive access to the Malt Cross and its many fascinating features.
